- [ ] To extend the term of supervision for \_\_\_\_\_ Years, for a total term of \_\_\_\_\_ Years.  
[X] To modify the conditions of supervision as follows:

**CAUSE**

The offender was ordered to pay restitution at a monthly rate of at least \$100. Dwyer has struggled with the ability to make this monthly payment due to his child support obligation and payment of other necessary living expenses. Due to his current financial status and his financial responsibilities for his child, it appears that he is only capable of paying a minimum of \$50 per month toward the restitution. We are recommending that the monthly installment be modified to \$50 per month.

Respectfully submitted,
